

SHC Culture

Sacred Heart College is a Catholic School in the Mercy tradition. Our culture is the heart of who we are as a community. It speaks to the Sacred Heart Way.

CARING

We focus on relationships based on mutual trust and respect. The work environment is warm, collaborative, and welcoming. Staff help and support one another.

We are sincere. We value team-work and positive relationships.

PURPOSEFUL

Our work is exemplified by idealism and altruism. The environment is compassionate, and staff try to do good for the long-term future of the world.

We are purpose driven, idealistic and accepting.

LEARNERS

We are driven by exploration, expansiveness, and creativity. The work culture is inventive, open-minded and encouraging of independence and self-management. Staff spark new ideas and explore alternatives. We are curious; we develop an entrepreneurial mindset in order to create rich and innovative learning opportunities. Leaders emphasize innovation, knowledge and exploration. We learn on the job.

We are open, inventive and we explore.

OUTCOMES-ORIENTED

We aspire to excellence. We use data to inform practice and spend time on critical thinking and judgement. We celebrate wins and learn from our losses.

We are strategic, achievement-driven and goal focused.

INTERACTIVE

Interactions within our environment are interdependent. We emphasise integration, managing relationships and group effort. We are committed and want to be involved, sharing ownership of tasks and generously sharing good ideas.

We are driven by the benefits of enhanced communication and collaboration.

RECEPTIVE TO CHANGE

We prioritise innovation, openness, diversity, and have a longer-term orientation.

We emphasize flexibility and adaptability, and we are receptive to change.
