

Position Title:	Ranger Coordinator - Garngi	Position No:	NT70
Group:	Land and Sea Management	Service Area:	Caring for Country
Classification Level:	Professional Stream 2 (PO2)		
Reports to:	Regional Program Coordinator- Darwin Daly Wagait (DDW)	Direct Reports:	Ranger Group
Special Measures:	<i>No-Not Applicable</i>		
Location:	Croker Island	Date Approved:	June 2025

POSITION OVERVIEW

The Ranger Coordinator position is responsible for working with Aboriginal rangers, Traditional Owners, NLC staff, the wider community, and other stakeholders in implementing a diverse program of community-led on-ground natural and cultural resource management activities in the Garngi Ranger work area. The position works closely with the NLC Caring for Country (CFC) Service Manager and CFC Program staff, ensuring that the integration of Traditional Owner insights and stringent WH&S standards are at the forefront of all land and sea management activities.

The role is pivotal in conducting in-depth consultations with Traditional Owners to understand and prioritize their interests and goals in the Garngi work area and is also responsible for facilitating and coordinating the Garngi Ranger Group. These consultations are crucial for shaping the planning and implementation phases of land and sea management projects.

Additionally, this position demands a strong commitment to Work Health and Safety (WH&S) and asset management. The incumbent will be responsible for fostering a culture of safety and wellbeing, ensuring all activities comply with WH&S policies and legislations.

KEY RESPONSIBILITIES AND ACCOUNTABILITIES

LEADERSHIP

- Lead by example and demonstrate commitment to the unit's service delivery in alignment with NLC's vision, mission, values and business priorities.
- Actively contribute to the overall culture of the NLC by adopting the principles of the NLC People Centred Care and Leadership model, enabling positive contributions to enhance employee engagement and job satisfaction within the unit.
- Lead, motivate, develop, and empower team members to deliver in accordance with the unit's priorities, and section area objectives, within a framework that drives accountability and achievement.
- Ensure unit staff have a clear understanding of their responsibilities, and encourage open and honest, two-way communication at all levels.

STAKEHOLDER RELATIONSHIPS

- Cultivate and maintain collaborative relationships with Traditional Owners (TO) to support the NLC TO centric relationship model and unit deliverables.
- Build and maintain relationships with all relevant government agencies and other internal and external stakeholder to ensure compliant and effective delivery of unit service deliverables.
- Actively assist and implement any authorised operational change in order to facilitate ongoing stakeholder commitment to outcomes.

UNIT OPERATIONS

- Lead, coordinate and monitor the unit's operational service outcomes and performance in accordance with the Croker Island operational plans and requirements.
- Consult with Traditional owners and NLC constituents to develop, implement and deliver on Garngi ranger group annual work plans.
- Supervise all operational works associated with the Ranger Station such as but not limited to:
 - Weed management activities
 - Fire management activities
 - Biodiversity surveys
 - Feral animal control
 - Learning on Country activities
 - Fee for service contracts
- Provide the appropriate level of supervision, support, guidance, mentoring and operational processes to support unit and staff performance to standards required.
- Ensure all team members are adhering to all relevant compliance, governance, legislative and organisational requirements and standards.
- Maintain unit associated administrative and record keepings task to standard.
- Complete all unit performance reporting and other reporting requirements to standard and within required timeframes.
- Facilitate opportunities that increase the levels of employment of women and youth in each of the ranger groups.

PEOPLE MANAGEMENT

- Foster and maintain a People Centred Care management culture ensuring all people management practices are adhered to in accordance with our leadership model, policy, process under the guidance of senior leadership and P&C Advisory services.
- Maintain accountability and responsibility for:
 - Recruitment of vacant positions in the section
 - The performance management of direct reports in accordance with the position requirements and NLC's organisational objectives
 - The rostering of resources, timesheets and leave approval
 - Actively supporting relevant Learning and development activities to enhance the service delivery of your team
- Assist with the implementation of key transformative people related initiatives that are designed to guide the NLC into a space of contemporary and culturally safe practice whilst the NLC strives to realise its 'Activating Land and Sea Rights' and 'Building the Bush' strategies.

WORK HEALTH AND SAFETY

- Lead by example and cultivate a work culture and environment that prioritises the wellbeing, health and safety of our staff people centred care and leadership framework.
- Maintain unit compliance and provide a safe working environment in accordance with, the NLC WH&S Management System and associated policies, procedures and plans ensuring you are fulfilling your duty of care in accordance with the legislative requirements.

- Actively support the review and investigation of critical as well as non-critical incidents and other hazards or risks identified in a timely manner.
- Promote and support organisational work health and safety initiatives
- Maintain asset management practices in line with NLC requirements.
