SU Australia's Vision & Mission

SU Australia is an interdenominational Christian movement committed to supporting children, young people and their families to discover life through the provision of school chaplaincy services, camps, community-based missions, schools ministry, and at-risk youth programs. SU Australia also offers nationally recognised training programs in youth work through the SU Institute of Training (RTO 30548).

SU Australia is part of the worldwide Scripture Union movement, a movement of Christians working with churches to make God's Good News known to children, young people, and families and to encourage people of all ages to meet God daily through Bible reading and prayer. (su.org.au)

SU Australia is a charitable 'limited by guarantee' not-for-profit organisation comprising more than 1,000 staff and thousands of volunteers, working with churches, and serving in communities in all states and territories across Australia.

All SU Australia staff and volunteers are empowered and equipped to champion a child safe culture and are committed to the highest standards of safety and care in our work with children, young people, and families.

Purpose of Role

The role of a school Chaplain is to provide social, emotional and spiritual support to students, parents and staff, taking into account the specific needs of the school.

Chaplains provide support for a range of day-to-day matters affecting the school community and communicate effectively with a diverse group of people.

SU Chaplains operate from a framework of Christian belief and personally model and own their own faith position. In the course of respectful dialogue, Chaplains respond to questions and may, in good faith, express views and articulate values consistent with their own beliefs, however Chaplains must not take advantage of their position to proselytise, evangelise, advocate for or denigrate a particular view or faith.

You believe that children and young people are precious and you will contribute to nurturing a culture and commitment to their safety within SU.
