Position Summary

The Director of Counselling – Psychologist is responsible for leading the College’s counselling and wellbeing services, ensuring the delivery of high-quality, evidence-based support for students, families, and staff. This role combines clinical expertise with strategic leadership to embed proactive wellbeing practices, strengthen mental health literacy, and cultivate a culture of safety, inclusion and trust across the College.

As a registered psychologist, the Director provides supervision, guidance and professional development to a multidisciplinary counselling and wellbeing team, while advising the College Executive on wellbeing trends, risk management, and critical incident responses.

Working in partnership with families, external agencies, and community services, the role aligns wellbeing initiatives with the College’s Strategic Implementation Plan and Leadership Statement. This position ensures compliance with regulatory and accreditation standards, and drives continuous improvement through research, data analysis, and reflective practice.
