Key areas of responsibility

- Work with a range of designated clients. The number of clients will depend on factors such as phase of intervention, complexity, geography and the nature of the service. Practitioners may work with individuals, or multiple stakeholders relating to the individual and/or family.
- Engage clients including children, young people, adults and/or families, using appropriate assessment and risk minimisation processes.
- Work with clients to undertake comprehensive assessments to develop, implement, monitor and review their client plan and outcomes that identify strengths as well as areas of risk, ensuring children and young people are actively engaged in the process.
- Ensure case plans are shared openly with clients, where appropriate and where applicable, other agencies.
- Develop contact schedules and conduct regular contact visits as the 'key worker' for the client.
- Coordinate with other service providers including government departments and agencies, schools, health services, GP's and allied health providers to ensure services are delivered.
- Assist clients to engage with wrap around services directly, as appropriate.
- Attend review meetings, case conferences, worker meetings and consultation meetings and ensure appropriate documentation is kept.
- Make appointments and provide transport for clients when required.
- Depending on the requirements of the service, may be required to plan, develop and facilitate or co-facilitate groups and workshops relating to the service.

The Benevolent Society

Child & Family Practitioner

- Support a small team of Support Workers to provide a better service to our clients and understand their complex needs through coaching, information sharing and informal learning.
- Make child protection reports to the community services helpline when assessed as necessary, in consultation with the Team Leader or Manager.
- Document work hours, kilometres travelled, reimbursements and other employee records in the timeframes required.
- Work in accordance with the Professional Governance Framework to ensure the services and support we provide to our clients and each other are person centred, connected, effective, and safe.
- Document and create reports on client services and client changes using technology and paper-based systems in a clear, logical, understandable and timely way.
- Advise the Team Leader of any significant changes or concerns regarding the client, their home environment, wellbeing, their services, or other risks, as soon as possible.

Capability Framework

The Capability Framework defines the essential knowledge, skills, behaviours and attributes individuals need to success in their roles. It provides the organisation with a shared language and clear expectations across all levels of the organisation. The Capability Framework can be accessed [here](#) **internal document only**.
