DRAMA AND THEATRE STUDIES TEACHER (FULL TIME, FIXED TERM)

In a natural, sustainable environment Billanook College aspires to provide an accessible, uniquely caring learning community in which students confidently create and navigate their own learning pathways. We do so with respect and appreciation of diversity, equity, justice and our place in a changing world.

At Billanook, our staff are central to our mission. We aim to recruit and sustain a workforce focused on the shared vision of Billanook College.

POSITION OUTLINE

This full-time (1.0 FTE), fixed-term position commencing at the start of Term 4 (Monday 5 October, 2026) until the end of the school year (Tuesday 8 December, 2026) requires a suitably qualified and innovative teacher who has the capacity to teach Drama from Years 7-10, including VCE Theatre Studies (Units 1-4).

The Years 7 to 12 curriculum and learning framework at Billanook College is based on three distinct type of learning experiences for our students.

- The Mastery experience involves the in depth conceptual and skill-based learning that come from key learning area studies.
- The Discovery experience is about empowering students to leverage their innate and natural curiosity to learn both deeply and broadly. This opportunity is provided through activities such as Discovery Projects.
- The Journey experience is about community and authentic learning.

At Billanook, Performing Arts subjects are offered from Early Learning to Year 12.

In Year 7, students develop skills and awareness in performance, analysis and composition. They learn an instrument and composition through Music, and explore relationships in Drama, while analysing identity through Media. There are numerous production and ensemble opportunities throughout Year 7.

At Year 8, an intertwined and collaborative program brings Drama, Media Studies and Music to students, with a focus on developing a greater understanding of their world through the Performing Arts. The course brings the strands together through a filmmaking project and collaborative live performances.

In Years 9 and 10, Drama is offered as an elective where students learn performance skills, acting and stagecraft, character exploration and development.

At VCE level, students create performances by applying acting and stagecraft skills to both pre-modern and modern theatrical styles as well as being involved with the planning, development and presentation of a play, analysis and evaluation of performances and presentation of a monologue through performance or a design pitch.
