

Teacher – Mathematical Methods

Department:	Mathematics
Responsible to:	Principal
Reports to:	Director of Teaching and Learning

About Sheldon College

Sheldon College is an independent, co-educational, non-denominational College situated in Redland City, catering for students from 15 months of age through to Year 12. We provide a first-class curriculum in the academic, sporting and cultural arenas with access to state-of-the-art classrooms, laboratories, resource centres and studios, as well as cultural, performing arts and sporting facilities.

Our staff are our most valuable investment. Every member of our team plays a key role in delivering excellence in education. We deliver on our commitment to provide outstanding education in a safe, secure learning environment, underpinned by our philosophy of **Love, Laughter** and **Learning**.

Child Safety and Wellbeing

Sheldon College has a zero-tolerance approach to any behaviours that compromise student safety and wellbeing, including child abuse. The College prescribes to the Universal Principle that all children have the right to feel safe, respected, and heard, protected from all forms of abuse, harm, and neglect in a culturally safe environment.

All staff are required to uphold the College's Child Safety and Wellbeing framework, including the Child Safety and Wellbeing Policy, Staff Code of Conduct, and Raising and Responding to Concerns Policy. It is an inherent requirement of all staff members' employment to meet mandatory reporting obligations. Staff must apply a culturally sensitive and trauma informed approach in all Child Wellbeing related activities and Child Safety investigations across all areas of the College.

Successful applicants must demonstrate a commitment to child safety and will be required to complete all mandatory training and compliance requirements prior to undertaking duties.
