Our Values

Integrity Acting fairly, honestly, openly and consistently.

Inclusion Valuing diversity, connection, belonging and social justice for all.

Learning Improving our knowledge and understanding.

In all our connections with staff, stakeholders and participants we acknowledge and recognise resilience, and we focus on potential and capacities, not on limitations or shortcomings.

Position Purpose

The Service Delivery branch delivers high-quality person-centered services across the continuum of support in the focus areas of NDIS Local Area Coordination, Mental Health and Wellbeing, Housing and Homelessness and Children, Youth and Families.

The Mental Health and Wellbeing stream provides specialist support services to children, young people and adults in areas such as mental resilience, suicide prevention, postvention and suicide aftercare as well as counselling, sexual and reproductive health and aged care assessments.

The Program Worker, Care Connect ensures the provision of high-quality services to achieve optimum levels of service delivery and client outcomes in line with the Social Futures Practice Framework requirements while ensuring business performance outcomes, standards and compliance requirements are met. The role also supports a weekend referral intake and assessment roster.

Key Accountabilities

A high-level description of the most critical and important aspects of the position

- Work closely with program manager and mental health clinician to ensure sound referral management including intake, assessment and safety planning.
- Deliver short term recovery-oriented psycho-social supports using evidence-based approaches in both office based and outreach environments.
- Support customers to access services in a timely and appropriate manner, including provision of relevant information about services, early intervention and referral pathways to customers, their families, carers and community partners
- Provide practice that is strengths based, person-centred, solutions-focused and culturally responsive and safe in line with Social Futures Practice Framework requirements
- Engage, as directed, with other community providers and networks working to support suicide prevention including health services and where appropriate, support programs in universal settings including schools
- Collect, and ensure integrity of data using relevant information systems to meet commissioning and outcome-based reporting requirements
- Ensure all customer work requirements are completed in accordance with the relevant policies and procedures, including Quality Improvement requirements
- Support planning and reporting processes to ensure performance measurement, monitoring and reporting requirements are met
- Participate in supervision activities including case reviews and case audits
- Ensure relevant mandatory reporting requirements are met in line with legislative and policy requirements

Key challenges

Challenges regularly encountered in the position which describe the complexities the position is expected to manage

- Implementation of services while managing competing priorities that supports the Team / Branch's goals and objectives, within a demanding and complex service delivery environment
- Building the capacity of customers, their families, carers and broader circles of support to generate options and implement solutions, and to access other services and supports within the broader service system and community
- Responding effectively to customers who may present with varying levels of distress and managing own well-being

Key relationships
