 **MINDFULNESS**

 **IMPACT**

 **INNOVATION**

 **DIVERSITY**

At IPC Health, we believe that strong leadership is a state of MIND. We are all leaders.

MIND ipc health
leadership

Mindfulness

in leadership is represented by the focus and presence of mind to act with integrity, grit, resilience, adaptability and kindness — even in challenging circumstances.

Impact

in leadership is a mindset that compels you to seize opportunities, to act with self assurance, to inspire action, and to empower others through active listening and communication.

Innovation

in leadership is a growth and learning mindset that thrives in ambiguity, senses change, fosters deep curiosity and enables experimentation and creativity to thrive.

Diversity

in leadership is a mindset that enables the awareness, empathy, collaboration and diplomacy to communicate, engage and work with anyone.
