Purpose

To design, deliver, monitor and evaluate behaviour support services to children, young people and adults with an intellectual disability in line with the goals of the National Disability Insurance Scheme (NDIS) plan or individual goals.

Focus

To achieve this purpose, the position holder would typically

- Provide high quality, culturally appropriate behaviour support services to people with an intellectual disability who have a specific support need.
- Work as part of a multidisciplinary team to provide effective and efficient services to clients with an intellectual disability in line with their goals.
- Implement appropriate evidence based behavioural support services that meet the needs of clients according to the goals and within the allocated hours of their NDIS plan.
- Participate in support planning processes for clients to deliver coordinated, effective, service provision that meets the goals of the client's NDIS plan.
- Liaise with relevant persons in client's environment e.g. family members, carers etc. regarding client needs as appropriate.
- Provide staff and carer training required to meet the client's goals.
- Keep up to date records and necessary reports e.g. support plans, assessment reports, intervention summaries.
- Consult with supervisors, other professional disciplines, and other team members regarding clinical issues.
- Attend and participate in team meetings and supervision.
- Report resource needs and clinical issues to the manager.
- Use available technology, resources, systems and processes to ensure an efficient service for clients.
- Follow all policies and procedures outlined for disability services.

This position may be offered as a specialisation:

- For example, Behaviour Support Specialist

1. Support clients with more complex needs
2. Coach, advise and provide on the job support to other team members to enhance quality and culturally appropriate behavioural support interventions.
3. Promote evidence based support practices and provide coaching, mentoring and supervision to other behaviour support staff.

- Work in collaboration with other senior clinicians to monitor, develop and improve clinical service provision.

When things are going well we would expect to see these outcomes:

- Outcomes**
- The team works collaboratively to ensure services are coordinated efficiently and effectively to meet the client's goals and outcomes as identified in their NDIS plan.
 - Behaviour Support services are timely, efficient and effective. They meet the goals identified by the client and their families/carers within available resources.
 - Services for clients with complex needs are well coordinated, efficient, effective and goal-focussed.
 - Services provided are clearly understood by the client their family/carers and the multidisciplinary team.
 - 70% of behaviour support service hours are client related.
