Position Details		
<b>Position Title:</b> Senior Chronic Disease Wellbeing Care Co-ordinator	<b>Department:</b> Adult Allied Health	<b>Agreement:</b> Nurses and Midwives (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement 2020-2024
<b>Reports To:</b> Manager Podiatry, Dietetics and Diabetes Nurse Education	<b>Location:</b> Primary sites: Doncaster and Hawthorn. Ability to work from all sites.	
<b>Direct Reports:</b> Nil	<b>Employment Status:</b> Permanent Part Time 0.8 FTE	<b>Classification:</b> Community Health Nurse (In Charge) CN 6
Position Primary Purpose		
<p>Wellbeing Care Co-ordinators will provide client-centred assessment, referral co-ordination and education to support adult clients to self-manage chronic disease as part of a Chronic Disease program focussing on type 2 diabetes, respiratory and cardiac diseases. Assessment and intervention will aim to improve client's quality of life and reduce avoidable hospital admissions through referral and access to timely clinical and social services to enhance client confidence and participation in their own care. Client assessment and care may be delivered face to face in clinic, via telehealth or home visit, and will include engagement with clients, carers and support workers to support early intervention and complex disease management.</p> <p>The Senior Chronic Disease Wellbeing Care Co-ordinator role will collaborate with Service Connection, General Practice, Medical Specialists, Credentialed Diabetes Nurse Educators, Allied Health and Mental Health professionals and connect with Social Prescribing services internally and externally to the organisation. The role will also provide practice guidance to internal chronic disease health coaches, and clinical supervision to enrolled nurses working in the chronic disease program.</p> <p>In addition to clinical care, the Senior Chronic Disease Wellbeing Care Co-ordinator, will work with program managers to ensure successful program implementation, execution, data collection and evaluation, and maintain a documented and statistical record of their work. The role may also coordinate and participate in multi-disciplinary case conferencing and provide secondary consult to colleagues to inform and direct best practice care for chronic disease and supporting client health literacy.</p> <p>Clients referred for chronic disease care co-ordination will primarily be funded under pilot funding from Diabetes Connect and Commonwealth Home Support Program (CHSP), however clients may also require care under alternative funding such as Medicare Benefit Scheme (MBS); Community Health (CH), Home and Community Care (HACC), Home Care Package (HCP), National Disability Insurance Scheme (NDIS) or Private Fee For Service. Therefore, knowledge of funding eligibility and an ability to navigate care in consideration of funding and client needs and means is required.</p>
