# About Aquinas College

Aquinas College is a Catholic School in the **Edmund Rice Tradition** servicing in excess of 1,300 local, country and international students.

Aquinas College is one of the oldest schools in Western Australia, with a **history** dating back to 1894. It is known for its beautiful grounds, excellent academic and sporting environment and for producing young men of character who strive to do the best they can for others as well as themselves.

The College is **located** on the banks of the Canning River in Salter Point, Perth. With 2km of river frontage and a spacious environment, Aquinas is the ideal place for young men to learn and play.

Aquinas College is a school for boys in the Public Schools Association (**PSA**). It is a school made up of young men from different backgrounds. Catering for Kindy through to Year 12, we have both day students and boarders. Our curriculum is innovative, we have outstanding facilities and dedicated teachers who genuinely care about their students.

At Aquinas College, it's not what our students become, but who they become that matters. We offer a vibrant school life steeped in mateship, academic success and sporting tradition with a belief in service, achievement and commitment. It's the perfect environment for good men to grow.

Aquinas College is a strong academic school, with subjects, teaching styles and activities that are male focused. While subjects are important within themselves, their true value lies in helping each student discover and develop his inner spirit and strength of **character** – his heart and soul. Creating a moral compass for life, learning about himself and the difference he can make is as important as what he learns inside the classroom.

The comprehensive cultural program at Aquinas College, gives students multiple opportunities to learn, grow and perform. Whether it's musical or classical theatre productions, visual arts, dance, choir, rock, jazz or big bands there are many options available for our students in the **arts**.

Our appeal as a school rests in our strong sense of **faith**, the values we strive to maintain, our commitment to realising the potential of each young man in our care and in providing a balanced education that addresses the academic, social, emotional, physical and spiritual aspects of our student's lives.

We have the highest expectations of all our boys. Our aim is for each to be the best he can be in all that he does and to demonstrate outstanding levels of attendance, appearance, courtesy, respect and work ethic throughout his time at the school.

Aquinas College provides its employees with a stimulating, rewarding, spiritually enriching and values centric workplace.

The College seeks to attract people who are the best in their specialty area, who will commit to supporting the Edmund Rice charism, the Catholic ethos and the College's **Mission and Values**.

Aquinas College aims to foster an environment in which employees are recognised and valued for their contributions, with opportunities to achieve continuous improvement through ongoing professional development and support.
